Number:  
  
87093-3

Date of Issuance:  
  
**APR 15 2014**

NOTICE OF PESTICIDE:  
 Registration  
 Reregistration  
  
(under FIFRA, as amended)

Term of Issuance: **Conditional**

Name of Pesticide Product:  
**LNouvel, Inc. Weed Killer Foam**

Name and Address of Registrant (include ZIP Code):  
LNouvel, Inc.  
4657 Courtyard Trail  
Plano, TX 75024-2114

~~Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.~~

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered in accordance with FIFRA §3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration review of your product when the Agency requires all registrants of similar products to submit data. Glyphosate data requirements are outlined in GDCI-417300-886 under docket ID EPA-HQ-OPP-2009-0361 at [www.regulations.gov](http://www.regulations.gov).
2. Revise EPA REG. NO. 87093-G to EPA REG. NO. 87093-3". Assure that the establishment number and net contents are also added to the final printed label.
3. Submit one (1) copy of the revised final printed label for the record.

The basic confidential statement of formula (CSF) dated 11/18/2013 and alternate formulation #1 CSF dated 3/19/2014 are acceptable.

A stamped copy of the label is enclosed for your records.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA §6(e). Your release for shipment of the product constitutes acceptance of these conditions.

# LNouvel, Inc. Weed Killer Foam

**ACTIVE INGREDIENTS:**

Isopropylamine Salt of Glyphosate*	0.96%
Pelargonic Acid & Related Fatty Acids	1.00%
OTHER INGREDIENTS	98.04%
TOTAL:	100.00%

\*Glyphosate acid equivalent = 0.71%

**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

**[See back panel for First Aid and additional precautionary statements]**

**EPA REG. NO. 87093-G**

**Net Contents: 19.0 [ounces][oz.]**

**HOW IT WORKS:** LNouvel, Inc. Weed Killer Foam contains glyphosate to kill all types of weeds and grasses. Once glyphosate enters the plant it moves systemically to the roots to kill the weeds and grass. The foam application allows for accurate application to the weed or grass, while avoiding unwanted drift to desired plants. Weeds and grass begin to wilt within hours, yellow and are typically completely killed in 1-2 weeks.

**WHAT TO KNOW:** This product foams upon contact with the target weed to allow you to see where it was applied. The foam application eliminates drift to desired plants and allows for accurate targeting of weeds in tough to reach places. Target weeds and not flowers in areas such as flower beds and gardens.

**Rainproof:** This product is rain or waterproof within 10 minutes after application. The rain or water will not wash away effectiveness.

**WHERE TO USE:** Perfect for targeting weeds in flower beds, vegetable gardens, ornamental landscapes and more. Ideal to use for edging along ornamental landscapes, driveways, walks, fences and more. Allows for spot treatment of weeds and grass found in driveways, patios, mulch, gravel, around trees/shrubs and more. Kills weeds in tough to reach places.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Read entire label. Use strictly in accordance with label precautionary statements and directions.

People and pets must wait until spray has dried to enter treated area.

**HOW TO APPLY:** SHAKE WELL BEFORE EACH USE AND BEFORE EACH SPRAY. The can must be upside down to apply. Do not press the button if can is in the upright position. Hold can with arm outstretched, point at target weed (ideally 1-2 feet away from weed), spray briefly to cover the center of the weed with foam. Ensure not to overspray. Reevaluate treated weed in 4 weeks to see if killed. If not, re-apply.

**ACCEPTED**

87093-3

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.

**APR 15 2014**

**WHEN TO APPLY:** Apply during active weed growth and during calm or low wind periods. For best results, apply during warm, sunny weather (above 60° F). If product drips or is applied to desirable plants accidentally, rinse immediately with water.

**WHEN TO REPLANT:** You can plant any ornamental flower, tree or shrub 1 day after application. Please wait 3 days to plant herbs, vegetables (all) and fruits. Please wait 7 days to reseed treated lawn areas.

#### STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Store in a secure location away from heat and open flame. Store in a cool, dry area. Always store pesticides in the original container away from food and pet food.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Do not puncture or incinerate! Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling, if available. **DO NOT PUNCTURE! If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

#### PRECAUTIONARY STATEMENTS

##### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

#### FIRST AID

##### IF IN EYES:

- Hold eyes open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, and then continue rinsing eye.
- Call a physician or poison control center for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

You may also contact XXX-XXX-XXXX for emergency medical treatment information. This product is identified as LNouvel, Inc. Weed Killer Foam, EPA Reg. No. 87093-G.

#### ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

### PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. Do not mix or allow product to come into contact with an oxidizing agent. Hazardous chemical reaction may occur.
